

Its no longer punk to be a Jew
Theres lots of suffering but its not you
Whats a global hegemon to do
Its no longer punk to be a Jew

Its so hard
To be a first world citizen

Its so hard
To be responsible for the mess you in

Its no longer punk to be a Jew
Or white Hispanic Blak or Asian to
The great oppressor - now is we and you
Its no longer punk to be a Jew

Its so hard
To have the whole world under your thumb

Its so hard
To leave a wake destruction and then play dumb

Its no longer punk to be a Jew
You're now responsible for what you do
The world is polarized which side are you
Since its no longer punk...

we've lost the right to place the blame
Since its no longer punk
The suffering is not the same
to be

a

Jew

dah dah dah dah
wamp wamp!

MASTERING FOR MATZOH BEHIND
WHOLE FOODS

SLEEPING IN THE GUTTERS IN
FRONT OF THE SCHUL

PISSING IN THE MIKVEN AFTER
SHOWS

AN ERA THAT HAS ^{FINALLY} ~~NOT~~ CLOSED

(sweet midtempo soul)

It's no longer punk
to be a Jew

But you still lost your lock
- 'cause that's what you do

you got no use for
the middle ground

you take a lie
and make it true

And I haven't been punk
for a very long time -

(uz I'm a half-Irish
Jew.

It is no longer punk to put the Schmoo
It is no longer punk to say "Fuck You"
It is no longer punk to sniff mad glue
It is no longer punk to say "Moooooooooo"

Its no longer punk to be a jew

Now it have to be hebrew

Circumcise (repeat many times)

Your BRAIN!

a lyric from me
2006 Silent

football pennance
(the one to the tune
of waits! the
piano was

been drinking")

(I can't remember
the lyrics
for obvious
reasons)

BUT PLEASE DO NOT POO POO
THE SIGHT OF MY SHOE
ON THE BACK OF A SHEEP
WITH CHICKEN POX!

ITS NO LONGER PUNKS TO BE A Jew
Wandering The Desert
'Oy Vey! We're Through!

The last punk ones are
breeding in a Zoo.

It's no longer punk to be a
Jew

So fuck you
and fuck you
and fuck you too

It's no longer punk to be a Jew
so you get fucked
and I get fucked
and you get fucked.

fuck me
fuck me
fuck me too!

It's no longer
punk to be a Jew.

Can't thrash mates
with your crew,

Leave a little candle
in your bubble's ass

This is one over
that just won't pass.

[to the tune of the Sex Pistols' "EMI"]
No longer punk to be a Jew
~~3~~ 3 thousand years since
Jew was new

Kosher sausage, kosher wine -
Like stupid fools who sit & whine
Like

Fi-er-stein!

Ber-ger-stein!

Frank-en-stein!

Whiiiiiiiiine!

It's no longer punk to be a Jew,
It's no longer punk to be a Jew,
And it hasn't been, it hasn't been
it hasn't been, it hasn't been
Since nineteen nineteen nineteen ~~fourty-two~~
nineteen nineteen forty-two.

It's a little bit me,
a little bit you!

..

la la la la la la
la la la la la la
la la la...

~~I want that - - I want that~~

A sink-a dook-a-dook
a wooga-woo

Translation

It's no longer punk to
be a Jew.

Instead we hide in a
corner and sniff glue.

Begging for change
No longer so strange
But I do miss the fondue.

Unless you're hangin'
with old shul crew.

(bitch)
